To Whom It May Concern

Aspect New Zealand is very happy to highly recommend the services of the education agency, EX Company, Auckland.

Having worked with this company for several years now, we have always found the staff to be extremely professional, highly organised and always vigilant to ensure that they have the most up-to-date information and accurate details about our schools in Auckland and Christchurch.

Our experience shows that EX Company takes exceptional care of their students both before and after arrival in New Zealand, offering a quality service to them. It is no surprise therefore that their students arrive fully prepared for life in NZ, which allows them to settle into their studies more quickly and easily. In addition, we know and appreciate the fact that their students receive on-going support while they are a student with us.

I look forward to a continued strong relationship with EX Company and to welcoming their students to Aspect New Zealand.

Yours sincerely
