To Whom It May Concern

Crown Institute of Studies is one of Auckland's longest-established private training institutes. Since 1972, thousands of New Zealand and international students have graduated from our English, business, hospitality and travel and tourism courses.

We have known Mr Ben Tokunaga and his team at EX Company for many years, and we have no hesitation in recommending their services to all students.

We have always believed that quality schools and agencies should work together, and we are pleased to have EX Company as one of our highly-valued partners here in Auckland.

EX is a high quality company and we commend them to you as always having a genuine care and concern for the needs of their students. They try to match students with suitable schools and have enjoyed a growing reputation as a result.

Please contact the school if we can assist further.

Yours faithfully
