To whom it may concern.

Letter of reference for EX Company.

Language Schools New Zealand was established in 1993 and has branches in Queenstown and Christchurch. We are members of English New Zealand.

For many years we have been working with EX Company who are appointed as our Japanese agent, based in Auckland and on the internet.

For many years we have enjoyed a very positive and beneficial relationship with EX Company. They have sent a great number of students to our schools and the students have been well prepared and supported.

I am happy to recommend them as an agent of the highest standard

Respectfully
